City of Melville
Municipal Heritage Inventory

Management Category Descriptions

Category A+

Already recognised at the highest level – the WA State Register of Heritage Places. Redevelopment requires consultation with the Heritage Council of WA and the City of Melville. Provide maximum encouragement under the City of Melville Planning Scheme to conserve the significance of the place.

Incentives to promote heritage conservation should be considered.

Category A

Worthy of the highest level of protection: recommended for entry into the State Register of Heritage Places which gives legal protection; development requires consultation with the City of Melville. Provide maximum encouragement to the owner under the City of Melville Planning Scheme to conserve the significance of the place.

Incentives to promote conservation should be considered.

Category B

Worthy of high level of protection: provide maximum encouragement to the owner under the City of Melville Planning Scheme to conserve the significance of the place. A more detailed Heritage Assessment/Impact Statement to be undertaken before approval given for any major redevelopment. Incentives to promote conservation should be considered.

Category A/B

Where a place is made up of a complex of buildings each part may have a different management category, with some having possible State significance while the rest have local significance.

Category C

Retain and conserve if possible. Endeavour to conserve the significance of the place through the provisions of the Scheme. A more detailed Heritage Assessment/Impact Statement may be required before approval given for any major redevelopment or demolition. Photographically record the place prior to demolition.

Category D

Significant but not essential to the understanding of the history of the district. Photographically record the place prior to any major redevelopment or demolition.

Category E

Historic Site without built features.

Recognise with a plaque, place name or reflection in urban or architectural design.
