▪ Notes:

* The cost of the development for which development application fees are to be paid will be calculated as per WAPC Planning Bulletin 93/2010, however the City of Melville considers that the cost to the developer is inclusive of GST and is seeking further legal and tax advice on that issue as at the date of adopting these fees & charges. Pending further advice from WAPC the cost of the development does not include a GST component. Where the City considers there is a discrepancy the estimate will be based on the calculated construction costs as supplied by an external building cost guide.

** Advertising costs are applicable to all uses specifically covered by the operative Community Planning Scheme and Policies. Applications and/or incorporating variations to the R Codes and/or Council Policies require advertising.

*** Where specialist reports are required the applicant will reimburse the City the full cost.

**** Consultancy time will be charged at \$150 per hour where preliminary meetings, Council reports, client liaison and neighbour mediation occur or alternatively are requested.

***** Single houses will require a planning application as per this fee schedule in compliance with the Community Planning Scheme.

+ Will be collected when legally possible

+ Specialist Services or Reports includes the estimated salary costs, direct costs, consultation costs and documentation costs.
