

ABBEY'S STORY

Abbey's was just 2 years old when she was found wandering and lost in the streets of Kardinya, she had no collar and no microchip, the ranger picked her up and took her to the dog pound. A couple of weeks went past and no one had reported her missing or came to collect her.

Ranger Kristina was looking to adopt a dog, she wanted a dog that was friendly and gentle and most of all a dog that was in need of a home, and Abbey was the perfect match.

Ranger Kristina took Abbey straight to the vet and had her micro chipped she could never be lost again, she also brought her a collar with her name and phone number on it, and a council registration tag.

6 Years have since past and Abbey and Kristina are still the best of mates and now Abbey helps Kristina and the other Rangers by coming and showing her tricks to students all over Melville and enjoying lots of pats and love.
