## Before Storytime

- 2 Arrive with plenty of time to settle your child and let them know they will be listening to stories.

## During Storytime

- 1 Storytime is a time for children and adults to share – join in the rhymes and songs you know...and those you don't !
- 2 If you feel your child is unsettled during storytime feel free to utilise the rest of the library.
- 3 Storytime is a great time for parents and friends to catch up and have a chat before and after the storytime sessions.
- 4 Help your child accomplish as much of the activity as possible themselves.

## After Storytime

- 1 Together with your child, choose some items to borrow from our wide range of books, CDs, DVDs and CDROMs.  
If you would like help with selection, ask library staff for assistance.
- 2 Sharing books and stories with even the smallest babies and very young children is the most crucial factor in the development of that child's early literacy and numeracy skills.
- 3 Visit Storytime again and again!
