

# GYMBAKIDS HOUSE RULES

- Allow enough time to remove shoes and settle before class. Please use the pigeon holes provided.
- Dress your child in clothing appropriate for play and exercise.
- Children not toilet trained are asked to wear a nappy to class.
- For hygiene and safety reasons, any accidents must be cleaned up by the parent/guardian.
- It may be necessary to leave the room if your child becomes disruptive and return once they are settled.
- Siblings and/or extra children are not to be brought along to class. Crèche facilities are available for children up to pre-primary age. Booking is essential.
- This is a 1:1 parent to child ratio class.
- If your child is sick, we recommend they remain at home. Credits may be given with a doctors certificate. Make up classes not available.
- Please remain with your child at all times.
- Only begin the circuit once all instructions have been given.
- Please reset the station after your child has completed the activity.
- No food or drink is allowed in either room during Gymbakids.
- Gymbakids classes are grouped according to children's age at the start of the term, with an allowance for birthdays within two-weeks either side of that date.
