

Community safety for First Nations people

While most First Nations people feel safe in their communities, they tend to experience greater rates of hospitalisation and death because of violence than the wider community.

HOW WILL WE ADDRESS THIS?

Our Community Safety team will support our First Nations Engagement team in implementing any actions to improve community safety for First Nations people.

About

The Safer Melville Plan is one of the City's key informing documents to achieve the 'safe and secure' community aspiration.

The 2023 - 2027 Safer Melville Plan was endorsed by the Safer Melville Advisory Committee in March 2023.
