

Age-Friendly Melville

South of the River Forum

Wills and Estate Planning

Make informed choices about your will and planning your future.

The Public Trustee (Department of Justice) will provide important information at this forum to explain:

- How to make a will and store it safely
- What happens if you die without a will
- Who can challenge your will
- The role of executors and administrators

This forum is not to be missed. Morning tea is provided.

This is an accessible event and information is available in alternative formats on request.
