

Bull Creek library Refurbishment FAQs

When does the library close and when does it reopen?

- *The Library will close **Saturday 7 November** and reopen on **Tuesday 24 November 2020***

Why is the library closing?

The library is closing to update the staff work spaces to provide a safe environment for staff to work and improve the functionality and efficiency of their work spaces.

We are limiting the time the library will be closed to cover the demolition work and electrical wiring. The library will operate while remaining building works are carried out until mid December 2020.

Why this wasn't done during previous closure?

Funding was limited at the time of the previous refurbishment of the library and priority was given to improve the public spaces of the library.
