Upon enrolling and participating in our Swim School program, swimmers and their families accept the following terms and conditions.

b. Assessments

All new and/or returning swimmers must book in for a complimentary assessment during the allocated times.

- Swimmers currently enrolled in the program do not need an assessment.
- While we acknowledge the levels completed at the Education Department, or other swim schools, all new or returning swimmers must undertake a Swim School assessment before joining the Swim School as we operate our own unique curriculum. This means that levels at another program may not necessarily align with ours.

- Visit the Swim School Reception Desk during operating hours of the appropriate week for enrolments.

All swimmers will receive a confirmation email from the Swim School before the term begins with their class details.

Children not yet in full time school, may only enrol in our Morning Program or classes offered on the weekend. Weekday afternoon classes are best suited for children in full time school.
