## Welcome to City of Melville Libraries

Your new membership allows you to borrow items from any of the City's five libraries and provides access to online resources you can access anywhere, anytime.

Search our online catalogue, reserve and renew items, access eBooks, eAudiobooks and more at [www.melvillecity.com.au/libraries](http://www.melvillecity.com.au/libraries).

### Your Membership

Membership is free and available to any Western Australian resident. Adults are entitled to one City of Melville library membership. Non-permanent residents may apply for a temporary membership.

- If your card is lost or stolen, or your contact details change, please notify us as soon as possible.
- You may apply for and manage memberships of children or others in your care:
  - Parents/legal guardians may enrol their children who are under 18 years old. Separated parents may each create and manage a membership for their child.
  - Grandparents and other adult family members may enrol children in their care.
  - Legal guardians/carers may enrol adults who are dependent on them for care.

You are responsible for any items borrowed by children or dependent adults who you've enrolled. Your details will be stored in their membership record.

- Carers and child minders can personally join the library and borrow items for people or children in their care, and are responsible for borrowed items.

### Borrowing

Adult, young adult and junior library members can borrow up to 15 items for 3 weeks.

Temporary members can borrow up to 6 items for 3 weeks.

- If you don't have your library card with you, your membership number alone can be used to check out items. Library staff can provide this number if you're able to show ID.

- Library items must be returned in the same condition they were borrowed. Replacement costs apply for lost or damaged items.
- The library collection contains materials for all ages. You are responsible for selection of items borrowed for your child.
- You can reserve items that are currently not available within the library. If we're able to supply the items, you'll be notified of their availability and will have 7 opening days to collect them.
- Borrowed items can be returned to any City of Melville Library.

### **Renewing your Loans**

- Borrowed items can be renewed a maximum of two times, items can't be renewed if they've been requested by another library member.
- Loans eligible for renewal will automatically be renewed on their due date. Loans can also be renewed online, by phone, email or in the library.
- Borrowed items that have reached the end of their loan period and cannot be renewed should be returned to the library for circulation.
- Borrowers should not pass their library items directly on to friends or family members.

### **Overdue items**

When items are two and four weeks overdue you'll receive a reminder notice. For items more than six weeks overdue, invoices will be issued to cover the replacement cost of the unreturned item.

While items and fees are outstanding, borrowing will be suspended.

### **Working together we can ensure that libraries are enjoyed by all visitors and members.**

You can assist us by behaving with courtesy and respect, respecting the rights of other customers and respecting community property.

Members who demonstrate threatening or abusive behaviour will immediately be asked to leave and long term access to services and facilities may be discontinued.

# Programs and Services

## Online Catalogue
