Mobile CCTV Trailer Deployment

17 September 2020 to 18 November 2020

Suburb	Reason for deployment	Comments
Ardross	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Attadale	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Booragoon	Suspected illegal activity	No incidents occurred during the deployment period
Ardross	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period

16 July 2020 to 16 September 2020

Suburb	Reason for deployment	Comments
Attadale	Groups of people congregating and possible street racing	No incidents occurred during the deployment period
Ardross	Drug use and anti social behaviour	No incidents occurred during the deployment period
Mt Pleasant	Post incident monitoring and information gathering	No incidents occurred during the deployment period

Notes:
- During this period one additional location was proposed for deployment but the trailer was not deployed
- This is because the location was not suitable for deployment.

20 May 2020 to 15 July 2020

Suburb	Reason for deployment	Comments
Willagee	Drug use and anti social behaviour	Footage provided to Palmyra Police

19 March to 19 May 2020

Suburb	Reason for deployment	Comments

Willagee	Drug use and anti social behaviour	Footage provided to Palmyra Police

21 November 2019 to 18 March 2020

Suburb	Reason for deployment	Comments
Bicton	Cars being broken into (stealing from motor vehicles)	Footage captured and provided to police

Bicton	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Attadale	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Alfred Cove	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Applecross	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Mt Pleasant	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Kardinya	Stealing of copper wire	No incidents occurred during the deployment period
Bicton	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Leeming	Stealing of copper wire	No incidents occurred during the deployment period

Notes:
- During this period two additional locations were proposed for deployment but the trailer was not deployed
- This is because there was either insufficient data to support the location being identified as a hot spot or the location was not suitable for deployment.

18 July 2019 to 20 November 2019

Suburb	Reason for deployment	Comments
Attadale	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Brentwood	Houses being broken into (burglary)	No incidents occurred during the deployment period
Kardinya	Stealing of copper wire	No incidents occurred during the deployment period
Melville	Stealing of copper wire	No incidents occurred during the deployment period
Mt Pleasant	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Bicton	Capturing any vehicles of interest to police	No incidents occurred during the deployment period
Willagee	General surveillance of the area	Police advised of incident that occurred during the deployment period. Footage provided to Police.

Notes:
- During this period three additional locations were proposed for deployment but the trailer was not deployed

- This is because there was either insufficient data to support the location being identified as a hot spot or the location was not suitable for deployment.

15 May 2019 to 17 July 2019

Suburb	Reason for deployment	Comments
Booragoon	Suspected drug offences	No incidents occurred during the deployment period
Brentwood	Cars being broken into (stealing from motor vehicles) Houses being broken into (burglary)	Palmyra Police advised of incident that occurred during the deployment period. Footage provided to Palmyra Police.
Ardross	Vandalism	No incidents occurred during the deployment period.

Notes:
- During this period one additional location was proposed for deployment but the trailer was not deployed
- This is because there was insufficient data to support the location being identified as a hot spot.

27 March 2019 to 14 May 2019

Suburb	Reason for deployment	Comments
Booragoon	Cars being broken into (stealing from motor vehicles)	No incidents occurred during the deployment period
Bicton	Cars being broken into (stealing from motor vehicles) Suspected drug offences	No incidents occurred during the deployment period
Attadale	Cars being broken into (stealing from motor vehicles) Hooning	No incidents occurred during the deployment period
Mt Pleasant	Cars being broken into (stealing from motor vehicles)	Palmyra Police advised that one incident occurred during the deployment period. Footage was reviewed but nothing of interest was obtained.

Notes:
- During this time period seven additional locations were proposed for deployment but the trailer was not deployed
- This is due to the locations either already having fixed CCTV in place, or them not being suitable for deployment
- If deemed not suitable for deployment reasons listed included lack of space to place the trailer, or vegetation obstructing the sight lines of the cameras.
