

## Garden Organics

### Remember:

Please do not place garden organics on the verge more than seven days before the collection date.

- Bulk waste and any other waste should not be placed on the verge as it will not be collected
- Allow five to seven working days for collection

### For garden organics collections, we **will not** collect:

- Piles bigger than two (6'x4') trailer loads or two cubic metres
- Prunings bigger than 1.5 metres in length or 350mm in diameter
- Garden organics in bags or boxes
- Weed and root material e.g. dug out lawn (place in your FOGO bin)
- Sand and soil material
- Leaves and lawn clippings (place in your FOGO bin)
- General waste, metal, timber or whitegoods
- Mixed piles of bulk and garden organics
- Commercial waste

For the safety of all, and to avoid damage to properties, please do not place waste next to trees, power poles, green power domes, water meters, reticulation, walls, street signs or any other object. Please do not obstruct the footpath, your normal bin services or the line of sight of pedestrians and road users. Waste is not to be placed on vacant properties, public reserves or any other verge other than your own.

## Bulk and Whitegoods

### Remember:

Please do not place bulk waste, whitegoods or metals on the verge more than seven days before the collection date.

- Please place bulk waste in a separate pile from the whitegoods, e-waste, metals and mattresses so these items can be recycled
- Detach all doors from fridges and freezers
- Allow five to seven working days for collection

### For bulk waste and whitegoods collections, we **will not** collect:

- Piles bigger than two (6'x4') trailer loads or two cubic metres
- Hazardous materials such as chemicals, oils, paints and asbestos
- Bricks, sand, cement, concrete products, fencing sheets, Hardiflex and building or renovation materials
- Plate glass, mirrors, glass table tops or shower screens
- Wooden pallets
- Tyres, car bodies and parts
- Gas cylinders and batteries
- Materials more than 1.5 metres in length
- Mixed piles of bulk and garden organics
- Garden organics, stumps or palm logs
- Commercial waste

To find out more, including information on other waste disposal options, visit [www.melvillecity.com.au/waste](http://www.melvillecity.com.au/waste), email [melinfo@melville.wa.gov.au](mailto:melinfo@melville.wa.gov.au) or call **1300 635 845 9364 0666** during business hours.

### Residential ONLY

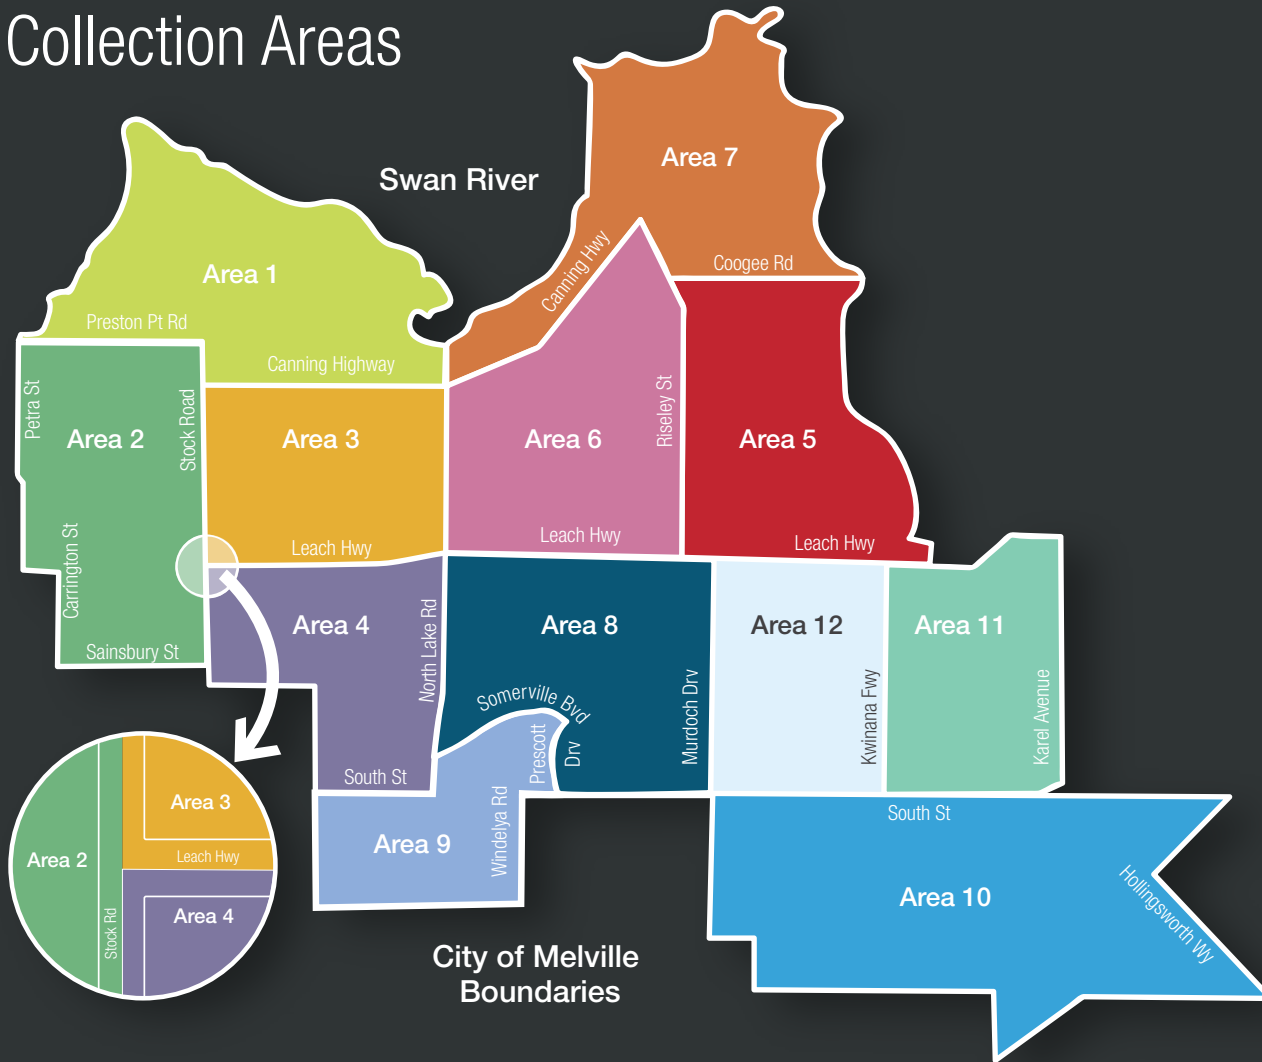

## Verge Collection Service Garden Organics, Bulk and Whitegoods 2019-2020

Please place waste on your verge by 6.00am on the scheduled start date for your area (including public holidays).

Note: Waste will not be collected if it doesn't conform or is placed out late. Waste must then be removed by the resident.

# Residential Collection Areas

Waste is not to be placed on residents' verges more than seven days prior to the scheduled start date for their area. Verges will be closely monitored by Ranger Services. Households found not complying may be fined up to \$1,000 or receive a \$200 on-the-spot fine under Section 23 of the Litter Act 1979.
