

# John O'Sullivan Playground Upgrade

## ENGAGEMENT SNAPSHOT

This project is introducing an exciting new playground at John O'Sullivan Park in Palmyra.

To ensure it meets the needs of the local community, we sought input from the people who use it most. We presented four unique playground designs and invited the community to vote for their favourite.

Community engagement for this project was open from **24 February to 10 March 2025** and available on the City of Melville website.
