

Get ready to launch into an epic adventure at the library and make these school holidays truly stellar! From cosmic creations to coding challenges and galaxy-sized fun for all ages, there's something to ignite every explorer's imagination.

Tickets become available one week before each event at 6.00am. To find out more and reserve your place, scan the code or visit [melvillecity.com.au/schoolholidays](http://melvillecity.com.au/schoolholidays)

## 3D Galaxy Maker

Design your own 3D glasses, then build a cosmic animation box using 3D principles to bring your universe to life!

- Suitable for ages 6+
- Free, bookings essential

## Celebrate the Noongar Season of Kambarang

Celebrate Kambarang through shared stories, language, dance and creative play.

- Suitable for families with children aged 5+
- Free, no bookings required

## Family Movie Night: Home

Pop on your PJs and bring the whole family to the library after hours for popcorn, giggles, and out-of-this-world fun with *Home*!

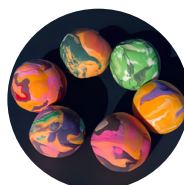

- Suitable for ages 6+
- Free, bookings essential

## Galactic Space Adventure

Crash-landed and lost on Earth, one brave astronaut needs your help as you join their adventure to find their way home!

- Suitable for families with children aged 4+
- Free, bookings essential

## Galaxy Explorer

Launch into Galaxy Explorers, travel through sparkly galaxy slime and crash land into making mini planets.

- Suitable for ages 6+
- \$7.00, bookings essential

## Illustrating Ningaloo with Cindy Lane

Jump in and explore Ningaloo through illustration and collage

- Session 1 suitable for ages 6+
- Session 2 suitable for ages 8+
- \$5.00, bookings essential

## KUBO Coding Co-Pilot

Blast off into space-themed challenges and complete cosmic coding missions with your new robotic sidekick!

- Suitable for ages 8+
- Free, bookings essential

## Lego Space Challenges

Your mission should you choose to accept it, is to unleash your creativity and conquer the cosmos - one brick at a time!

- Suitable for ages 6+
- Free, drop in

## Makedo to the Moon

Join your crew and build your very own intergalactic spaceship using only recycled materials and Makedo construction tools.

- Suitable for families with children aged 6+
- Free, bookings essential

## Planet Pioneers

With creativity as your compass and imagination as your fuel, it's time to explore, invent, and boldly build for a strange new world.

- Suitable for ages 8+
- Free, bookings essential

## School Holiday Rhyme Time

Sing, rhyme, and wiggle along at a fun-filled session for little library lovers and their grown-ups!

- Suitable for families with children aged 0-2+
- Free, no bookings required

## Sci-fi Storytelling with Bianca Breen

Launch into a writing workshop with YA sci-fi author Bianca Breen and learn how to create your own epic, out-of-this-world stories!

- Suitable for ages 13-16
- Free, bookings essential

## Tardigrades in Space Illustration Workshop

Learn the art of non-fiction illustration and how to draw nature's toughest survivors!

- Suitable for ages 6+
- \$5.00, bookings essential

## Tiny Tinkers

Bring your tiny tinkerer along to discover and learn communication, collaboration, creativity and critical thinking through play.

- Suitable for ages 3-5
- Free, bookings essential

## VR Space Exploration

Embark on a fully immersive adventure, piloting virtual spacecraft around planets and moons in real time.

- Suitable for ages 7+
- Free, bookings essential
