

Alan Edwards Reserve Playground Upgrade

ENGAGEMENT REPORT

The playground at Alan Edwards Reserve is set for renewal. To ensure the new playground meets the needs of the local community and fosters a sense of connection and enjoyment for all, we sought input from the community.

We presented four distinct design options, each with unique features, and invited the community to vote for their preferred choice.

Engagement was open from 25 September to 16 October 2024, available on the City of Melville website, Melville Talks.
