

# Alison Harris Park Playground Upgrade

## ENGAGEMENT REPORT

The playground at Alison Harris Park is set for renewal. To ensure the new playground meets the needs of the local community and fosters a sense of connection and enjoyment for all, we sought input from the community.

We presented three distinct design options, each with unique features, and invited the community to vote for their preferred choice.

Engagement was open from 24 October to 7 November 2024, available on the City of Melville website.
