

Jim Ainsworth Park Playground Renewal

City of
Melville

ENGAGEMENT RESULTS

The playground at Jim Ainsworth Park, Ardross has reached the end of its useful life and is being renewed to provide a more enjoyable and engaging space for local children and families. To ensure it meets the needs of the local community, we wanted to empower the people who use it most to have a real say in the design.

Three unique playground design options were presented, and community members were invited to vote for their favourite. Engagement was open from **19 November to 10 December 2025** on the City's website.

Results

Option 3 received the highest number of votes and will progress to detailed design.

OPTION 3

Reach and Participation

Next steps

The results of community voting are being used to finalise the selected playground design. Detailed design and construction planning will follow, with works expected to commence in May - July 2026. For more information on the upgrade, and to receive updates direct to your email, follow the project page at melvillecity.com.au/jimainsworth
