- Report to Council in July 2021 highlighted consultation occurred from 21 January – 15 March 2021
- Council at the July 2021 meeting supported the recommendations authorising the CEO to give local public notice that at the September 2021 Ordinary Meeting of Council, the local government intends to specify listed places as dog exercise areas, cancel specified listed places as dog exercise areas and cancel the specification of the following places where dogs are currently prohibited totally.
- Local public notice of intent to specify was given on 23 July 2021 and closed on 23 August 2021.

- Eight responses were received. Six for Tompkins Park, One for Marmion Reserve and one for the areas adjacent to the Dome Café in Deep Water Point Reserve.
- No changes recommended to those places listed in the Local Public notice.
