PROPOSED NOTICE OF MOTION: CITY OF MELVILLE

That the Council directs the Chief Executive Officer in consultation with the Tompkins Park Community and Recreational Association to develop urgently a detailed management plan, scope of works, budget and program for the Tompkins Park Redevelopment Stage One for presentation at the August Ordinary Meeting of Council.

REASONS:

At the EMIS of 13 May 2020 Elected Members were told that Tompkins Park Redevelopment Stage One (Club Room Refurbishment) was “Shovel-Ready, Funded and Commenced” as one of the Stimulus Recovery Projects, with \$1.7 million allocated.

The Tompkins Park Community and Recreational Association (TPCRA) has been told that the refurbished building would be available in November 2020, with a tentative opening date of 4 December, in order to take advantage of the summer trade, but are declining bookings due to the uncertainty.

TPCRA is concerned that there is not yet agreement on the extent and nature of the kitchen/bar refurbishment, unisex changerooms, gear storage facilities, or the funds allocated. The management arrangements for operation of the Club Bar and Riverview Room (upstairs) have not been agreed.

No provision appears to have been made for retention of the current ground floor office, or for a lift to the Riverview Room for disabled access and to avoid carrying urns and goods upstairs, or for a kitchen to service the Riverview Room.
