

Tender Register

Tender Number:	RFT252644
Tender Title:	Supply of Canning Bridge Playscape, Applecross
Tender Description: <i>Reg 17(2)(a)</i>	The City of Melville requests tender for the design and construction of a Playspace within the proposed Canning Bridge Town Centre, Applecross. Works will include the detail design, fabrication and installation of a new Playspace, including a large structure evocative of the historical canning bridge, play elements for all ages and abilities, softfall sand and rubber, and shade sails. The City is seeking Tendered pricing for the construction of a design between the range of \$500,000 to \$1,000,000+gst, inclusive of design documentation, approvals and fees. The City will evaluate on value for money and is not necessarily seeking designs to target the upper figure if the desired outcome can be achieved for a lower price. The awarded contractor will be expected to liaise directly with the, yet to be determined, head contractor for the greater works at Canning Bridge Town Centre. With medium to high density residential housing nearby, consideration will be required for any potential environmental factors resulting from undertaking works. Concept designs will be expected as part of the submission for this project.
