1 OFFICIAL OPENING

The Presiding Member welcomed those in attendance to the meeting, officially declared the meeting open at 7:30pm and invited Ms G Bowman, Chief Executive Officer to read the Acknowledgement of Country.

1.1 Manner of Conduct & House Keeping

Welcome to the City of Melville Special Meeting of Electors. In accordance with the *Local Government (Administration) Regulations 1996*, the Mayor is to preside at a general or special meeting of electors and is to determine the procedure to be followed and will give regard to the City of Melville *Local Government (Meeting Procedures) Local Law 2022*.

1. In the event of an emergency, everyone should take direction from officers who will guide you to the exit points of the building.
2. Toilets are located immediately before the entry to the Council Chambers.
3. All physically present are required to sign the attendance register at the entry to the meeting.
4. Each person who participates in a vote or speaks must be an Elector of the City of Melville.
5. The proceedings are being recorded for the purpose of production of the Minutes and speakers are requested to use the microphones each time they speak. The Minutes will include a summary of any questions asked and a summary of the responses provided.
6. Speakers are asked to clearly give their name and address each time they speak and are required to address the Mayor as the Chair of the meeting.
7. Only Electors of the City of Melville may move or second a motion. Motions are to be submitted in writing prior to the commencement of the meeting.
8. All addresses are to be limited to a maximum of five (5) minutes. Extension of time is permissible only with the agreement of a simple majority of Electors present (*Local Government (Administration) Regulations 1996 Regulation 17*).
9. The community are welcome to participate in the meeting. To ensure the efficient conduct of the meeting, please participate in a concise and respectful manner.
10. All Elected Members and officers attend this meeting to observe the proceedings and hear comments from Electors. All questions and comments should be directed to the Mayor who may invite a response from the Chief Executive Officer, Presiding Members of Committees or Elected Members.

2 ATTENDANCE AND APOLOGIES

3 INTRODUCTION OF ELECTED MEMBERS AND OFFICERS

At 7:32pm, the Presiding Member welcomed the following Elected Members to the meeting:

- Cr J Spanbroek
- Cr S Green
- Cr T Lee
- Cr S Hong
- Cr T Fitzgerald
- Cr D Lim

At 7:33pm, the Presiding Member welcomed Ms G Bowman, Chief Executive Officer, and the Executive Leadership Team to the meeting.

4 PURPOSE AND CONDUCT OF THE MEETING

4.1 Notice of Special Meeting of Electors

The following Notice of Meeting was advertised:

- on the City's website;
- on public notice boards at the Civic Centre and all the City of Melville libraries;
- in Fremantle Herald on Saturday, 9 March 2024; and
- in the City's electronic Newsletter; and
- via the City's social media platforms.

The notice read:

"We invite City of Melville residents to the City of Melville Special Meeting of Electors (SME)

Date: Monday 25 March 2024

Time: 7:30pm

Venue: Conference Room, City of Melville Civic Centre,
10 Almondbury Road, Booragoon
and live-streamed via Zoom.

To consider the following request signed by 377 electors:

- (A) *The February 2024 Rescission Motion signed by the Mayor and 4 other Councillors to rescind Council's April and July 2023 decisions to convert 100% of the City-owned land at 13-15 The Esplanade and 64 Kishorn Road, Mt Pleasant; and 50-52 Kishorn Rd and 23, 29 and 31 Moreau Mews, Applecross ("Sites") into public open space.*
- (B) *Whether the Mayor and Councillors who signed the said Rescission Motion lodged by Cr Scott Green for decision at the 20 February 2024 Ordinary Meeting of Council, and subsequently withdrawn, acted with due care and diligence to ensure that the reasons cited in the Rescission Motion were true and accurate, and would not bring the City into disrepute; and whether the Mayor considered that the late publication of the Rescission Motion in the Agenda late on Friday 16 February 2024 would prejudice the wider community in being able to engage with the City as to their views.*

- (C) *Whether to conversion of the Sites to parks are an integral part of the Canning Bridge Activity Centre Plan (“CBCAP”) and Vision; a vital component of the Review of the CBACP submitted to the WACP in 2023; and would contribute towards to the goal of providing walkable public open space within 400 metres or 5 minute walk of every dwelling; and provide green linkages for the community to mitigate against the urban heat island effect of high rise development; and numerous other social, health and economic benefits.”*

4.2 Purpose of Meeting

Welcome to the City of Melville Special Meeting of Electors. The purpose of the meeting is to discuss:

- *The February 2024 Rescission Motion signed by the Mayor and 4 other Councillors to rescind Council’s April and July 2023 decisions to convert 100% of the City-owned land at 13-15 The Esplanade and 64 Kishorn Road, Mt Pleasant; and 50-52 Kishorn Rd and 23, 29 and 31 Moreau Mews, Applecross (“Sites”) into public open space.*
- *Whether the Mayor and Councillors who signed the said Rescission Motion lodged by Cr Scott Green for decision at the 20 February 2024 Ordinary Meeting of Council, and subsequently withdrawn, acted with due care and diligence to ensure that the reasons cited in the Rescission Motion were true and accurate, and would not bring the City into disrepute; and whether the Mayor considered that the late publication of the Rescission Motion in the Agenda late on Friday 16 February 2024 would prejudice the wider community in being able to engage with the City as to their views.*
- *Whether to conversion of the Sites to parks are an integral part of the Canning Bridge Activity Centre Plan (“CBCAP”) and Vision; a vital component of the Review of the CBACP submitted to the WACP in 2023; and would contribute towards to the goal of providing walkable public open space within 400 metres or 5 minute walk of every dwelling; and provide green linkages for the community to mitigate against the urban heat island effect of high rise development; and numerous other social, health and economic benefits.*

5 PUBLIC QUESTION TIME

At 7:35pm, the Presiding Member opened public question time.

5.1 Questions Received Prior to the Meeting

5.1.1 Ms M Sandford, Applecross

Preamble to Questions 1 to 6:

These questions are asked in relation to the City's ground lease to Melville Aged Care of the former Melville Theatre Company site on Stock Road, Melville, near the corner of Canning Highway.

Question 1

Please advise the date of the lease?

Response 1

Following the Council resolution at the 21 October 2020 Ordinary Meeting of Council (ref: M20/3850), an agreement for a lease between the City and Melville Health, Aged and Community Care (WA) Pty Ltd was executed on 9 December 2020.

Question 2

Please advise the original dates of key conditions precedent/milestones to be met by the tenant as at the date of the lease?

Response 2

To date, the tenant has met all the agreed milestone dates set in the agreement for the lease. Melville Health, Aged and Community Care (WA) Pty Ltd received Development Approval from the Joint Development Assessment Panel (JDAP) on 16 June 2023. Minutes are available from the Department of Planning, Lands and Heritage website, at this link https://prod-dplh-media.s3.amazonaws.com/docs/default-source/daps/20230616-minutes-no-146-city-of-melville.pdf?sfvrsn=d5ccfa89_6

Question 3

Please advise which of those dates have been met or missed?

Response 3

To date, the tenant has met all the agreed milestone dates set in the agreement for the lease. Any extensions to milestone dates require Council approval under the agreement for lease.

Question 4

Please advise of the current extended dates?

Response 4

To date, the tenant has met all the agreed milestone dates set in the agreement for lease.

Question 5

Do any milestone dates need to be extended, when will this occur and what new milestone dates will be required by the tenant?

Response 5

The lease agreement is still unconditional and the City and tenant are working together, in good faith, to meet the remaining deadlines of the agreement for lease.

Question 6

Does the City have the right to terminate the lease due to delays in meeting milestones currently, or in future, and when?

Response 6

The lease is due to commence at the completion of the development works which is anticipated as 30 June 2026.

The lease agreement includes a 12-month rent free period starting on the commencement date of the lease, with rent anticipated to commence from 1 July 2027.

Question 7

Does the City of Melville acknowledge that: both the information in the Officer's Advice note to the City on the February 2024 OMC Agenda in relation to The Esplanade park alternate motion by Cr Ross; and the answer to my public question at the February 2024 OMC, that there are currently only some 20 public car bays in and accessible from Ogilvie Road, Mt Pleasant, are gross understatements, given the City has been informed by members of the public that there are at least 110 car bays in and accessible from Ogilvie Road, Mt Pleasant?

Response 7

The Officer Advice Note prepared in relation to the alternate motion by Cr Ross identified the number of bays on Ogilvie Road as 20. As per response to the public question at the February OMC, this relates to the on-street parking on Ogilvie Road. Whilst the total number of on-street parking on Ogilvie Road is typically 25, the outstanding 5 bays are currently leased to Icon Construction as part of the construction of the multi-storey unit complex nearby.

The City is preparing a more detailed report regarding the capacity of public parking in the vicinity of The Esplanade POS site and this will be presented to the April Ordinary Meeting of Council.

Question 8

When will the City provide a proper response to my question at the February 24 OMC, and correct the said Advice Note to the Council, as to the true number of car bays in and accessible from Ogilvie Rd, Mt Pleasant, given this item is deferred to the May 24 OMC?

Response 8

The City is preparing a more detailed report regarding the capacity of public parking in the vicinity of The Esplanade POS site, and this will be presented to the April Ordinary Meeting of Council.

5.1.2 Ms P Samson, Applecross**Question 1**

What is the predicted 20 year forecast of Rate Uplift which will be received as Revenue to the City of Melville from the Canning Bridge Activity Centre?

Response 1

Current rating forecasts for the Canning Bridge Activity Centre are calculated on known development approvals plus estimated growth based on 2050 targets. Total new dwellings are estimated at 3,447 over 20 years, an average of 172 per year.

In current rates equivalent, at an average rate of \$2,223, this equates to rates uplift of \$382k per annum or \$7.6m over 20 years (not accumulative or indexed).

5.1.3 Mr S Hee, Mount Pleasant**Question 1**

Is the City aware of the backlog of traffic on Monday to Friday between 7.30-9.30am which blocks Kishorn Road, Sleat Road and Canning Highway? As getting to the Canning Highway exit can take 30-40 minutes during this time.

Response 1

The City is aware of the traffic congestion in the area. The traffic signals along Canning Highway are programmed by Main Roads WA to give priority to the traffic already traveling on Canning Highway which is causing congestion on the side streets during peak periods. Also, when there is an issue on the Kwinana Freeway causing traffic flow delays, traffic will bank up on Canning Highway and entries onto Canning Highway as a result of congestion during the AM peak period. Main Roads is the responsible authority for managing traffic on Canning Highway and the City manages local road connections to Canning Highway. The City will continue to lobby Main Roads to improve access to Canning Highway from local roads, acknowledging that we have limited influence in this regard.

At the April 2023 Ordinary Meeting of Council, Council resolved to undertake a number of additional investigations including traffic studies which will be listed for consideration as part of the 2024/25 annual budget.

Question 2

Can the City illustrate how building another high-rise building is going to assist in reducing this traffic issue?

Response 2

The Canning Bridge Activity Centre is intended to continue to develop into a significant and vibrant mixed-use centre. Each development is required to consider and address its traffic impacts on the existing and future road network.

5.1.4 Mr A King, Leeming

Preamble for Questions 1 to 3

For the record, I acknowledge the detrimental impact of human-induced climate change and fully endorse the City's declaration of a climate emergency.

With reference to (C) in the meeting notice, specifically 'Whether to conversion of the Sites to parks are an integral part of the Canning Bridge Activity Centre Plan ("CBCAP") and Vision; a vital component of the Review of the CBACP submitted to the WACP in 2023; and would contribute towards to the goal of providing walkable public open space within 400 metres or a 5-minute walk of every dwelling;' there appears no requirement to convert these sites solely to public open space (POS). The proposed costs of these two changes of use exceed the value of the City's Public Open Space and Urban Forest Reserve.

The City's Public Space Strategy (page 44) identifies a small section "around the corner of Sleat, Macrae and Kishorn Roads" as not within 400 metres of a recognised public space and has made changes in the area to ameliorate this.

A gap analysis of public open space identified no gaps within the CBAC Figure 15, page 32 of 'Public Open Space Provision at Canning Bridge Activity Centre'.

The draft CBACP submitted to the WAPC makes no specific mention of conversion of these sites to parks.

Council Meeting of 18 April 2023 (page 18) included recommendations that "The Esplanade site not be designed for POS, noting it's poor sustainability for that purpose and potential role to fund more suitable POS options".

Reduction in parking is considered an issue.

The development of The Esplanade POS is estimated to cost \$1.6million with an ongoing cost of \$80,000. This is a significant part of the Public Open Space and Urban Forest Reserve of \$3.8million, as per pages 35-36 of the 2022-2-23 Annual Financial Report Part B.

Question 1

With regards to point 6.1(C) of the Agenda, can the City confirm that no part of the CBAC, and indeed most of the City, requires additional Public Open Space to meet the goal of ‘providing walkable public open space within 400 metres or 5-minute walk of every dwelling’?

Response 1

The City’s Public Spaces Strategy and the report, “Public Open Space Provision at CBAC” note that most properties within the Canning Bridge Activity Centre are located within 400 metres of a public space.

The POS area used to achieve this walkability measure at CBAC relates mainly to the foreshore area along Canning Beach Road and The Esplanade. The City is investigating ways to increase the availability and accessibility of POS in the CBAC area. In addition, Council at the June 2023 Ordinary Meeting of Council requested further analysis into a new City-wide POS Strategy that would specifically analyse POS provision in accordance with State Planning Policy and include analysis around residential development and its proximity to POS.

At the April 2023 Ordinary Meeting of Council, it was resolved at Recommended Modification 14 for the subject sites at both Moreau Mews and the Esplanade to be included as POS.

<i>made reasonable documented efforts to acquire the potentially isolated lots at market value determined by an independent valuer(s).</i>		
14	Identify Prospective POS	Update Figure 1, 2, 2A & 3 as follows; <ol style="list-style-type: none"> 1. Depict 27, 29 and 31 Moreau Mews, and 50 Kishorn Street as POS 2. Depict 13 The Esplanade and 64 Kishorn Road as POS 3. Use a green asterisk to depict "General location of public open space" at the corner of Canning Beach Road and Kintail Road, and North-West corner of Kishorn Road and Forbes Road. 4. Depict "Linking Pathway" along Canning Highway West of Canning Bridge
15	Local	Add Cl.10.9.3 as follows;

Question 2

With regards to point 6.1(C) of the Agenda, can the City confirm the removal of all parking areas from the proposed public open space site could disadvantage the wider community to the benefit of those who live close to these sites?

Response 2

The removal of the existing parking bays at The Esplanade POS site will result in the loss of 14 bays within the site and 5 bays within the road reserve. Car parking at Canning Bridge is in high demand and therefore at a premium, noting that data gathered by the City from parking machines in the vicinity of The Esplanade site indicates that although the car parking bays are well used, there is still some capacity available at most locations.

Question 3

With regards to point 6.1(C) of the agenda, acknowledging that previous reports to Council did not recommend The Esplanade as a suitable site for public open space, can you acknowledge that the proposed cost of \$1.6million for development for this site represents a significant proportion of the public open space and urban forest reserve and could impact the development of other public open space sites in the future?

Response 3

It is estimated that as at 30 June 2024, the Public Open Space and Urban Forest Reserve will have a closing balance of approximately \$2.2m. The current Long Term Financial Model estimates the project list, for this reserve, to be in excess of this balance. Therefore, projects will need to be prioritised or alternate funding identified.

5.1.5 City of Melville Residents and Ratepayers Association

Question

Which Elected Members and City employees and service providers have declared a financial interest in the Applecross/Mt Pleasant area, when where these interests first declared and what exactly are those interests as they appear on the City's register?

Response

The Register of Financial, Proximity and Impartiality Interests is on the City of Melville website – [City of Melville Register of Financial, Proximity and Impartiality Interests](#).

A review of the information contained in that register shows:

- Mayor Mair has declared a financial interest on one occasion as she owns property in Mount Pleasant;
- Councillor Woodall has declared a financial interest on two occasions as he owns property in Mount Pleasant;
- Councillor Lee has declared a financial interest on two occasions as he owns property in Mount Pleasant; and
- Councillor Edinger has declared a financial interest on two as she works for a company that tendered for works in Mount Pleasant

Specific details and dates of each declaration can be found in the publicly available register.

6 GENERAL BUSINESS

6.1 Speakers

At 7:51pm, the Presiding Member invited the first speaker for the Melville City Climate Action Network (CAN) to begin their deputation. [Deputation - Melville City CAN](#)

6.1.1 Mr I Peacock, Myaree, Chairperson Melville City Climate Action Network

At 7:51pm, Mr I Peacock provided a deputation which concluded at 7:58pm.

6.1.2 Ms R Waldron-Hartfield, Mount Pleasant, Member Council Reference Group

At 7:58pm, the Presiding Member consented to providing an extension of five minutes for Ms R Waldron-Hartfield.

At 7:58pm, Ms R Waldron-Hartfield provided a deputation which concluded at 8:08pm.

6.1.3 Dr A Cabanek, Bicton

At 8:08pm, Dr A Cabanek provided a deputation which concluded at 8:15pm.

6.1.4 Dr J Horton, Kardinya

At 8:15pm, Dr J Horton provided a deputation which concluded at 8:21pm.

At 8:21pm, Mr P Varelis left the meeting.

6.1.5 Ms M Sandford, Applecross

At 8:21pm, the Presiding Member consented to providing an extension of five minutes for Ms M Sandford. At 8:21pm, Ms M Sandford provided a deputation.

At 8:27pm, Mr P Varelis returned to the meeting.

At 8:33pm, the Presiding Member consented to providing an extension of one minute for Ms M Sandford. At 8:34pm, Ms M Sandford's deputation concluded.

6.1.6 Ms O Abrugiato, Mount Pleasant

At 8:34pm, Ms O Abrugiato provided a deputation which concluded at 8:39pm.

7 PUBLIC QUESTION TIME

At 8:39pm, the Presiding Member reopened public question time.

7.1 Questions Received at the Meeting

7.1.1 Dr S Peterson, on behalf of the City of Melville Residents and Ratepayers Association

Question

Can the City lobby Main Roads WA to install traffic metering at the entry ramp from Canning Highway to the Kwinana Freeway northbound, as has already been installed as part of the Smart Freeway at the South St, Cranford Ave and Leach Hwy entries plus a diamond carpool and public transport lane for the length of the Smart Freeway?

Response

The works you are requesting the City to lobby Main Roads WA are currently underway. The City is aware that Main Roads WA are investigating the opportunity for a smart freeway on-ramp at Canning Highway as well as the redevelopment of the bus interchange across the railway station. The City will seek an update from Main Roads WA on the progress of these projects.

7.1.2 Mr M Burns, Applecross

At 8:41pm, Mr M Burns addressed the meeting. However, the Presiding Member determined that the question would not be accepted.

7.1.3 Ms M Sandford, Applecross

Question

In response to the previous question from the leaning gentleman about whether there was public open space within 400 metres of the Canning Bridge Activity Centre area, when you said there was, did you mean apex reserve and the foreshore, and if so, are you aware that APEX reserve floods every winter, especially around the Canning Highway site and is underwater and is used by the rowing clubs to park the rowing trailers, and they're very, very long rowing boats and has no playground. Are you aware that the foreshore on the Mount Pleasant side virtually all the way to Deepwater Point is severely eroded, in particular across the road from the proposed Esplanade site. There are limestone boulders retaining the riverbanks because of the undercutting and numerous trees which have fallen in the river as a result of erosion, so there is virtually you'd be lucky to get a metre of grass between the bike path and the river that's on the Mount Pleasant side on the Apple Cross side in front of the Riviera Apartments on Canning Beach Road. Again, the river is very eroded and that strip is very narrow. So I just want to clarify why you said there was suitable public open space within 400 metres cause I would disagree strongly with that?

Response

That was used for the calculation of accessibility of Public Open Space in the Canning Bridge area. There was no reference to its suitability. It's used as a calculation saying it was there. The City of Melville understands and acknowledge all those issues that raised with that area of public open space. There is a need for more public open space in Canning Bridge, which is what the City's is working towards.

7.1.3 Ms E O'Neill, BrentwoodQuestion

Have any studies that have been undertaken considered the potential for antisocial behaviour and by that, I mean vandalism, graffiti, general loitering. If we do not provide the young people who live in that precinct somewhere for them to meet and socialise and play in a healthy way?

Response

This question was taken on notice and a response will be provided.

7.1.4 Mr P Genovesi, Mount PleasantQuestion

At 8:46pm, Mr Genovesi addressed the meeting to seek a response to his question raised at the 19 March 2024 Ordinary Meeting of Council.

Response

The response to this question was made available in the Minutes of the Ordinary Meeting of Council 19 March 2024 (on page 17), and is available on the [City's website](#).

7.1.5 Mr D Maynier, AttadaleQuestion

Can we now have your assurance that there will not be a recission motion in the future?

Response

The Presiding Member advised that no guarantee could be provided in relation to this question, as it is the decision of each individual Councillor as to whether they wish to raise a motion to the Council.

7.1.6 Mr R Kronberger, Applecross

At 8:48pm, Mr Kronberger addressed the meeting to make a statement regarding easy access to public open space. As it was a statement, and not a question, no response is required.

At 8:50pm, the Presiding Member closed public question time.

8 MOTIONS FROM THE COMMUNITY

The Presiding Member advised that members of the community online were able to participate in the voting process.

8.1 Motion 1 - Mr D Hart, Kardinya - Approve Officer Recommendation POS

MEETING RESOLUTION

At 8:51pm, Mr D Hart, Kardinya moved, seconded Mr P Samson, Applecross

That the Council approves the officer's recommendations for the budget and concept plan for the Public Open Space at 13 The Esplanade and 64 Kishorn Road, Mt Pleasant at the May 2024 Ordinary Meeting of Council.

At 9:00pm, the Presiding Member declared the motion.

CARRIED (79/2)

The vote result includes online votes from 22 participants.

8.2 Motion 2 - Mr D Hart, Kardinya – April & July 2023 Resolutions

MEETING RESOLUTION

At 9:00pm, Mr D Hart, Kardinya moved, seconded Mr P Samson, Applecross

That the Council proceed to implement the April and July 2023 resolutions to convert the land at 23, 29 and 31 Moreau Mews and 50-52 Kishorn Road, Applecross into public open space.

At 9:05pm, the Presiding Member declared the motion.

CARRIED (84/3)

The vote result includes online votes from 24 participants.

8.3 Motion 3 - Ms E Hart, Kardinya - Rescission Motion & Community Trust

MEETING RESOLUTION

At 9:05pm, Ms E Hart, Kardinya moved, seconded Mr P Samson, Applecross

That the Council note that the rescission motion has caused significant distress and confusion in the Melville Community, leading to reduced community trust in the public engagement processes of the City and in the decisions of Council

At 9:15pm, the Presiding Member declared the motion.

CARRIED (84/7)

The vote result includes online votes from 23 participants.

9 CLOSURE

There being no further business to discuss, the Presiding Member thanked everyone for their attendance and declared the meeting closed at 9:16pm.
