

THE PROJECT

The River Foreshore

The Yarning Circle - Karla Mandjar

STAGE 1

Staircase

Dampland (sheoaks & paperbarks) & previous shoreline interpretation

Apothecary Garden - Karla Warlung

Welcome Place Entry

Derbarl Yerrigan

KARLA MANDJAR THE YARNING CIRCLE

STAGE 1

A sheltered space, nestled into the hill, designed for group yarning and meetings, centered around a fire pit for cultural ceremonies.

Walled seating will allow for large and small events to comfortably fit in the space.

This is another space that acknowledges Traditional Owners and incorporates Cultural Knowledge – via embedded interpretation in the Shelter roof.
