

NOTICE OF WORKS

REMOVAL OF CAR PARK

At the April 2023 Ordinary Meeting of Council, Council resolved to progress conversion of 100% of the 4 lots at Moreau Mews, Applecross to public open space.

At the 2025 Ordinary Meeting of Council, a concept design for the Moreau Mews Town Square and Public Open Space was endorsed.

This is a highly anticipated project, and the community regards it as much needed green space in a developing area. Whadjuk Noongar knowledge-holders have been involved in this project from the beginning and see it as an important opportunity to put nature back into the built environment and celebrate the Swan and Canning Rivers that meet at this location.

This carpark will be removed in August 2026 and the construction of new public open space will commence, with a completion date of mid 2027.

For more information or project updates,
please visit the project web page.
