Proposed Motion

That the Council directs the CEO to:

- 1. Create an Executive Summary document of the Weir Legal and Consulting City of Melville Review of Complaints – Building and Planning containing:**
 - The rationale for the report being commissioned;**
 - The key findings from the report; and**
 - Recommendations from the report.**
- 2. Publish the FOI Version of the Weir Legal and Consulting City of Melville Review of Complaints – Building and Planning and the Executive Summary document on the City’s website as soon as practicable.**

Reasons for the Motion

1. This report needs to be released as quickly as possible.
2. With so many redactions in these reports (within all the various options listed by the City Officers) - it makes sense to have a summary document accompanying the redacted report.
3. Most readers will probably flick through the actual report but read with interest the Summary Report as provided by the City.
4. Most importantly, the City cover itself for any legal impropriety regarding Freedom of Information and the Privacy Act.
