PROPOSED NOTICE OF MOTION: CITY OF MELVILLE

That the Council directs the CEO to prepare a report on 13 The Esplanade/64 Kishorn Rd Mt Pleasant to be presented to the May 2022 Ordinary Meeting of Council

1. on restoring the former Mt Pleasant Senior Citizens site to community use as public open green space with tree planting
2. on the option of selling the site
3. on identification of appropriate locations for POS in the Canning Bridge area
4. on possible future uses for the site including commercial uses.
5. on how and when public consultation for uses or selling of the site is appropriate.

REASONS:

1. The Council did not support the Officers' Recommendation to go ahead with the ground lease agreement with Oryx Community Melville Pty Ltd. This left the door open for other uses to be considered.
2. Many other uses for this site should be investigated by the officers and then put out for public consultation.
2. To investigate only one option is very limited and does not take into consideration numerous opportunities that could be available to the City nor does it give any opportunity for public consultation.
