

Advice Note

Responsible Officer: Manager Property and Governance

Date of Meeting: 16 March 2021

Meeting of the: Council

Item: Motion from Cr Kepert – Review of CP-017

DETAIL

At the 21 July 2020 Ordinary Meeting of Council the Council resolved to request that CP-017 Legal Representation Policy Elected Members and Employees be presented to an Elected Member Information Session. To date there have been insufficient opportunities to do so and nor has the Policy been required to be used.

This matter was further discussed by the Governance Committee at its meeting held 19 October 2020. In order to further progress this matter it will be placed on the Elected Member discussion board for comment.

A further Council resolution restating that the Council will review CP-017 would duplicate the previous resolution and is therefore not required.
