

## Application for Crossover Subsidy

### Conditions of Subsidy

- Crossover subsidies only apply to the first crossing installed to access the land and/or an upgrade from a bituminous to concrete or brick paved crossover. (*First crossing, in respect of land, means the first crossing to the land or a private thoroughfare serving the land constructed under regulation 12 or section 358 of the Local Government Act 1960 as in force at any time before 1 July 1996*).
- Crossover subsidies can only be applied for after construction of crossover.
- Supporting evidence must be supplied with this application in the form of the appropriate delivery docket. A concrete crossover requires a concrete delivery docket. A brick paved crossover requires a concrete, brick paver and limestone delivery docket.
- Tax invoices will not be accepted as supporting documentation.
- Crossover subsidies are a fixed sum of **\$495** regardless of the size or material of the crossover.
- Crossover construction must be approved. Crossover must conform to City of Melville Specifications. Nonconforming and/or unapproved crossovers are not eligible for a subsidy. (Building and Planning approvals do not cover crossover construction).
- Only the property owner may apply for Crossover Subsidies. Crossover subsidies are only payable to the property owner. The crossover at the address below has been completed and all affected infrastructure has been reinstated to original condition.
