

Ogilvie Road Reserve Swing installation

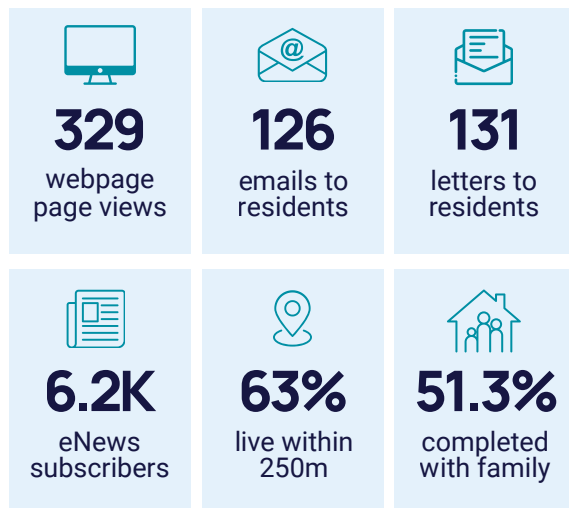

ENGAGEMENT RESULTS

The City of Melville sought community feedback on a proposal to install a new swing at Ogilvie Road Reserve, Mount Pleasant, as part of the Open Space Design Playground Renewal Program.

Community members were asked whether they supported the installation of a swing at the reserve and, if so, their preferred type of swing. Options included a traditional swing, a basket (round) swing, or no preference.

Engagement was conducted via the City's website from **12 to 26 February 2026**, and communicated through direct communication with local residents.

Reach and Participation

Next steps

A traditional swing will be installed at Ogilvie Road Reserve. The exact location within the reserve is currently being finalised. Construction is expected to commence in **June 2026**.

Swing Options

Results

Seventy six people participated in the consultation. A strong majority of respondents supported the proposed swing installation (84.21%). Of the 72 participants who indicated a swing preference, the preferred option was a traditional swing (44.6%).
