

## **P21/3920 PROPOSED - LAND ACQUISITION BY ALCHERA LIVING AT WINNACOTT RECREATION RESERVE, WILLAGEE**

*Figure – View from Worley Street looking west*

### **Why you should not support the Officer Recommendation:**

1. The access road has been in place for three years.
2. It is important to provide safe access for emergency vehicles to the village.
3. The embankment on which the access road is located is unsuitable for any sporting activity.
4. Alchera Living is a not-for-profit organisation with Public Benevolent Institution status.
