KEY ISSUES / SUMMARY

- Planning Approval is sought for the construction of a three storey dwelling at 1E First Avenue, Applecross.
- The proposal satisfies all of the relevant provisions of Community Planning Scheme No. 5 (CPS5), the Deemed to Comply provisions of the Residential Design Codes (R-Codes) and applicable Council Policies, with the exception of side setbacks, garage width, outdoor living area and site works.
- The application was advertised to the adjoining property owners and occupiers and one objection was received outlining concerns with regard to the proposed reduced setbacks to the southern boundary.
- Notwithstanding the objection received, the proposed development is considered to meet the relevant Design Principles of the R-Codes and is therefore recommended for conditional approval.

The proposal satisfies all of the relevant provisions of applicable Council Policies.

U13/0451 THREE STOREY SINGLE DWELLING AT LOT 1 (NO. 1E) FIRST AVENUE, APPLECROSS (REC) (ATTACHMENT)**ALTERNATE OPTIONS & THEIR IMPLICATIONS**

This application is recommended to be approved under delegation through the Development Advisory Unit (DAU) process. Should Elected Members, or interested third parties have an alternative view, the DAU 'call up' procedures provide an opportunity to call this matter up for Council consideration.

COMMENT

As outlined above, the proposal requires assessment against the Design Principles of the R-Codes in relation to boundary setbacks, garage width, outdoor living area and site works.

Commentary in this report will be confined to the ground floor and first floor setbacks from the southern boundary as these are the matters which the submitter has raised objection. The remainder of the abovementioned variations have been assessed against the relevant Design Principles and are deemed acceptable in that context.

The reduced setbacks from the southern boundary for the ground and first floor levels are largely as a result of the limited width of the lot, being 8m wide. The proposed setbacks are however considered to meet the relevant Design Principle of the R-Codes for the following reasons:

- The proposed development does not abut the adjoining property's outdoor living area which is located approximately 8m to the west of the proposed dwelling. Consequently, access to direct sun and ventilation to this area will be maintained.
- The adjoining property has one major opening facing the proposed development which is a bedroom window. The aspect from this window is already compromised by the existing dividing fence to the north, boundary wall to the east and the storeroom of the subject property to the immediate west.
- The design of the dwelling incorporates varied openings and a reduced wall length to the third floor in order to mitigate the impact of building bulk on the neighbouring property;
- The proposed dwelling satisfies the Deemed to Comply provisions of the R-Codes in relation to overshadowing; and
- Privacy of occupiers of the the adjoining dwelling will be maintained as there are no major openings proposed along the southern elevation.

U13/0451 THREE STOREY SINGLE DWELLING AT LOT 1 (NO. 1E) FIRST AVENUE, APPLECROSS (REC) (ATTACHMENT)**Street Tree**

The proposed location of the crossover to the dwelling results in a request to remove the existing street tree.

The City's Parks Services have reviewed this request and provided the following comment:
U13/ THREE STOREY SINGLE DWELLING AT LOT 1 (NO. 1E) FIRST AVENUE, APPLECROSS (REC) (ATTACHMENT)

The existing 'Jacaranda mimosifolia' street tree is in poor condition and adds little value to the existing streetscape. Therefore, the application for the tree to be removed is acceptable in line with the City's street tree policy.

A condition of approval is recommended in accordance with the above advice which will result in the planting of two new street trees..

CONCLUSION

Based on the above, the application is considered to satisfy the objectives of the R-Codes and it is considered that the proposed variations can be accommodated without detriment to residential or visual amenity. For these reasons, the proposal is recommended for conditional planning approval.

U13/0451 THREE STOREY SINGLE DWELLING AT LOT 1 (NO. 1E) FIRST AVENUE, APPLECROSS (REC) (ATTACHMENT)**OFFICER RECOMMENDATION****APPROVAL**

That the application for a three storey single dwelling at Lot 1 (No. 1E) First Avenue, Applecross be approved subject to the following conditions:

1. All stormwater generated on site is to be retained on site.
2. The development shall be serviced by a concrete or brick paved vehicle crossover with a maximum width of 6m and constructed prior to the initial occupation of the development in accordance with the Council's specification to the satisfaction of the Manager Statutory Planning.
3. Prior to the initial occupation of the development, the street tree shall be removed and replaced with two trees in accordance with Street Tree Policy CP-029 to the satisfaction of the Manager Statutory Planning. The cost of the removal, replacement trees and all work undertaken is to be at the owner's expense.
4. Prior to the initial occupation of the development, the surface finish of the garage boundary wall shall be to the satisfaction of the adjoining neighbour. In the event of a dispute, the surface finish shall be to the satisfaction of the Manager Statutory Planning.
