Dear Sir/Madam

Reservation of area at Troy Park

Thank you for submitting your Special Events Application form requesting to use of Troy Park for a Wind up / Trophy Presentation Attadale Junior Football Club on 14-Sep-2014 from 15:00 to 18:00 for approximately 400 people.

I'm please to advise that your request has been approved providing the following conditions are adhered to:

1. Public access to roads and cycleways must not be blocked.
2. No litter is to be left on the reserve. If you wish to hire additional bins and they have not already been included on your invoice, please contact Waste Services on 1300 635 845.
3. Overflow parking is permitted to take place in the highlighted area on the attached map.
4. Marshalls/Traffic warden should be appointed to assist with directing traffic to parking.
5. Please make contact with the council if the club require a gate key to allow access to this parking area.
6. Structures (including bouncy castles) are not permitted to be set up on the playing surfaces. These must be set up on the perimeter of the reserve.
7. A copy of the bouncy castle's current Certificate of Currency must be supplied to the City no later than one working day before the event/function.
8. Weights must be used to secure any structures (including bouncy castles). Stakes/pegs are not permitted to be used.
9. Please note this booking is only approving the use of the reserve. If you require access to the amenities located at the reserve you will need to liaise with the Troy Park Sporting Association.

Health & Safety Conditions: Any conditions relating to these conditions should be

Submissions in support

- 460 boys and girls enrolled aged 5 -16 years old
- Use of Troy Park Saturday and Sundays May – August 2022
- Inadequate parking bays
- Hundreds of cars along Burke Drive & surrounding streets
- Dangers to children, spectators, pedestrians and cyclists
- Fair and reasonable request to reinstate permission for temporary use of overflow parking area
- Unfair emphasis on the potential environmental impacts

use of
overflow
parking
area

Closing remarks

1. Does the City have duty of care to users of Troy Park?
2. Has the City met its duty of care?
3. Is a failure of the City's duty of care likely to cause harm?
4. Will you please support our request for the safety of our children?
