### KEY ISSUES / SUMMARY

To recommend the acceptance of a tender submitted for Supply and Delivery of 2 x Bulk Verge Rear Loading Waste Trucks.

## **EI23/4024 – RFQ222342 SUPPLY OF TWO (2) BULK VERGE REAR LOADING WASTE TRUCKS (REC) (CONFIDENTIAL ATTACHMENT)**

### **BACKGROUND**

The City of Melville is seeking a suitable company to supply and deliver two (2) Resource Recovery Bulk Verge Waste Trucks 24m<sup>2</sup> Rear Loaders, to replace existing assets: 38608 & 38808. The truck should be an extra heavy duty hard waste (industrial) with multi ribbed body finish.

The supply of the trucks will be an outright purchase with the City taking responsibility for the service and maintenance of the vehicle.

The City is utilising the WALGA contract # NPN 04-13 (Fleet, Trucks, Heavy/Medium Rigid).

The existing 2 waste trucks are not offered for trade.

The Supplier is expected (or required, as stated in this document) to comply with industry and Australian Standards including Department of Transport (DOT) licencing requirements relative to the supply of two Rear Loading Waste trucks fitted with compactor bodies.

### **DETAIL**

Responses were received from the following organisations:

- a) Penske Australia Pty Ltd (Dennis Eagle Trucks) with Bucher compactor
- b) Penske Australia Pty Ltd (Dennis Eagle Trucks) with Superior Pak compactor
- c) Isuzu Australia Pty Ltd with Bucher compactor

All Respondents properly addressed the compliance and disclosure requirements and were processed through to Qualitative Assessment.

The City set the following qualitative criteria and weightings:

<b>Criteria</b>	<b>Scoring Weightings</b>
Technical Specification	35 %
Operational Capacity	35 %
Environmental Sustainability	20 %
Warranty Period	10 %
Total	100%
Percentage to be shortlisted	N/A
Price	Non-weighted

**EI23/4024 – RFQ222342 SUPPLY OF TWO (2) BULK VERGE REAR LOADING WASTE TRUCKS (REC) (CONFIDENTIAL ATTACHMENT)**

The qualitative scores were achieved by joint agreement of the evaluation panel members at the evaluation meeting after each panel member had scored the submission individually.

The recommended Respondent achieved a qualitative score of 96.67% against the following criteria:

i) Technical Specification

The Respondent provided the required information against this criterion. The truck offered met all the necessary technical specification required.

The Respondent trucks have low entry one level walk-through cabs, being the only low entry profile vehicle offered. This makes the entry and exit from the cab safer to step in and out of the cab which is a regular occurrence common for bulk verge waste collection services (100 -120 plus times a day).

ii) Operational Capacity

The Respondent provided the required information against this criterion.

The Bucher compactor was a significant factor due to its “Hard Body” build specifically for Bulk Verge collections with an internal 6mm skin, also the rear compactor door has reinforced bars and is known for its durability and low maintenance.

iii) Environmental Sustainability

The Respondent provided the required information against this criterion. The truck offered is Euro6 which meets the City commitment to reduce its carbon footprint relative to vehicle emissions.

iv) Warranty Period

The Respondent provided the required information against this criterion. The warranty, service and spare parts support meets the expectations of the City’s Fleet department.

The Evaluation Panel reviewed all Respondents’ offers and prepared an Evaluation Report, identifying the recommended Respondent.

The recommendation was supported by the Contract and Tender Advisory Unit (CTAU) and is put forward as part of the recommendation to the Council.

The Evaluation Report and associated confidential attachments were distributed to Elected Members on Friday, 10 March 2023 under confidential cover.

Individual feedback will be issued to each unsuccessful Respondent.

**STAKEHOLDER ENGAGEMENT**

**I. COMMUNITY**

No stakeholder engagement has been required or undertaken for this tender.

**II. OTHER AGENCIES / CONSULTANTS**

No external agencies or consultants were required or engaged for this tender.

**STATUTORY AND LEGAL IMPLICATIONS**

*Local Government (Functions and General) Regulations 1996 Section 3.57 11 (1):*

*"A Local Government is required to invite tenders before it enters into a contract for another person to supply goods or services".*

Delegated Authority – DA-117 Authority to Sign Documents will be exercised to execute the Contract.

**FINANCIAL IMPLICATIONS**

This information is detailed in the confidential attachment to this report.

**STRATEGIC, RISK AND ENVIRONMENTAL MANAGEMENT IMPLICATIONS**

Strategic Implications of these works relate only to the consequences of not procuring the Services through a tender, the WALGA Preferred Supplier Program or another Local Government, which would result in the City being in breach of the Local Government (Functions and General) Regulations 1996.

There are no residual risk implications following the invitation and evaluation process conducted for this item.

**POLICY IMPLICATIONS**

CP-023 Procurement of Products or Services.

**ALTERNATE OPTIONS AND THEIR IMPLICATIONS**

No alternate options have been identified.

**EI23/4024 – RFQ222342 SUPPLY OF TWO (2) BULK VERGE REAR LOADING WASTE TRUCKS (REC) (CONFIDENTIAL ATTACHMENT)**

**CONCLUSION**

The CTAU is satisfied that the recommended Respondent has demonstrated that they have relevant experience, necessary key personnel and follows a methodology in line with the City's expectations.

**OFFICER RECOMMENDATION (4024)**

**APPROVAL**

**That the Council:**

- 1. Accept the recommendation as contained in the Confidential Attachment – RFQ222342 Contract and Tender Advisory Unit Minutes; and**
- 2. Upon resolution, the recommendation directs that the successful respondents' names and anticipated contract value be inserted below this point 2, awarded.**
