

## Building Validation Fact Sheet

### **Fitouts**

**Note:** This is a list of the minimum requirements for a Building Permit Application to successfully pass the City's validation process. You may later be asked for further information by a Building Surveyor.

**Application Form** –Application forms are available from the Planning Counter or at <http://www.buildingcommission.wa.gov.au/building-approvals/forms-guides>

Application forms are required when submitting your application online as well as over the Planning and Building Counter or via the Post.

**Architectural Plans (with scale)** – The City requires plans to be submitted to an architectural/draftsperson standard. Plans must be to scale and are to include a site plan with levels, floor plans, elevations and sections.

**Specifications** – A proforma or list describing the materials and methods to be used in the construction is required.

**Letter of Confirmation from AMP** – This letter is required if the shop is located in Garden City Shopping Centre.

**BCITF form or BCITF receipt** – The Building Construction Industry Training Fund (BCITF) is only required to be paid for applications with a contract value that is over \$20,000 (cost of development including GST). **If you pay directly to BCITF please supply a receipt from BCITF as proof of the payment.** BCITF forms are available from BCITF ([www.bcif.org](http://www.bcif.org)) or at the Building Counter.

**Please Note: Certificate of Design Compliance is required for ALL Certified Applications.**
