

THE GATHERING DVD -Order Form

Created to use with young people (aged 15-18) in schools and youth settings, the City of Melville's 27 minute professionally produced short film is an innovative tool to support discussion with young people and raise awareness of the acute harms associated with binge drinking. It is also used to facilitate discussion with the community to discourage the secondary supply of alcohol to juveniles. Accompanied by teacher resource material, The Gathering has strong curriculum links to Year 10 Health and Physical Education, Health Studies (Units PAHEA, PBHEA, 1AHEA, IDHEA) and the Year 10 Viewing Strand of the English Learning Area.
