<b>Policy Type: Council Policy</b> <b>Policy Owner: Executive Manager</b> <b>Organisational Development</b>	<b>Policy No. CP-039</b> <b>Last Review Date: 17 May 2016</b>
---	--

### Policy Objectives

To provide guidance and direction to all stakeholders of the City of Melville (the City) in respect to the attainment of excellence and quality outcomes through a continuous improvement philosophy underpinned by the implementation of, and adherence to, internationally accredited quality and business excellence standards with the objective of ensuring stakeholder satisfaction and loyalty and community wellbeing. In addition and where practical, the City will integrate the principles of the ISO 9001 Quality Management; ISO 14001 Environmental Management; and the AS/NZS 4801 Occupational Health and Safety Management Systems.

### Policy Scope

This policy applies to all City of Melville activities.

### Policy Statement

The City values, and is committed to, the pursuit of excellence.

The city is responsible for providing a broad range of products and services and is committed to ensuring that these products and services are of a consistently high level of quality. The provision of high quality products and services is achieved through the adoption of, and adherence to, quality principles, and is supported by an effective and accredited Business Management System.

Commitment to and the effective deployment of this policy, will demonstrate the competence of the City to its stakeholders. The Quality Policy will assist to achieve this by clearly articulating and communicating to all stakeholders the City's commitment to excellence and quality objectives.

Effective deployment of this policy will help achieve continuous improvement of an organisational culture and working environment that embraces the values of excellence, relationships, vibrancy and wellbeing and results in quality outcomes for all of the City's stakeholders.

Through the implementation and effective deployment of accredited business excellence and quality system, and by embracing a quality and excellence culture, the City aims to:-

- Deliver high quality products and services that meet stakeholder needs and residents aspirations;
- Demonstrate visible leadership within the organisation and in the community;
- Build and maintain effective stakeholder relationships;

- Comply with statutory and regulatory requirements;
- Achieve the goals and objectives of the City's strategic and other short and long term plans.

Achievement of the Quality Policy objectives involves elected members, staff and contractors, who are individually and collectively responsible for the quality of their work. Success will also require the co-operation of external stakeholders, who will be called upon from time to time to provide valuable inputs, insight and feedback and to help rate the City's performance.
