

Tender Number:	RFT212214
Tender Title:	Supply of Bushland Weed Control including Supply and Application of Herbicides
Tender Description: <i>Reg 17(2)(a)</i>	<p>The City of Melville ("City") seeks a suitably qualified and experienced Contractor to carry out weed control including the supply and application of herbicides in selected bushland, wetland and foreshore reserves throughout the City.</p> <p>The City contains 62 natural area reserves along with nearly 18 kilometres of foreshore, with varying topography and weed density. The natural area reserves range in size from one hectare to almost 50 hectares with a combined total area of approximately 255 hectares. Weed control may be required at any of these reserves in any given year of the Contract and will be in response to an annual spray program, spot spraying requests, spring bulbous weeds spraying and manual weed control as required.</p> <p>The Contract period is for an initial term of three years with two additional 12 month option periods which will be exercised at the sole discretion of the City. The City will appoint one Contractor for the provision of the Services under the Contract.</p> <p>This Contract does not preclude the City from conducting weed control utilising its own staff or volunteers.</p>
