

Tender Number:	RFT222306
Tender Title:	Bicton Quarantine Riverwall Maintenance
Tender Description: <i>Reg 17(2)(a)</i>	<p>The City of Melville (City) are seeking the services of an experienced Contractor to undertake the proposed maintenance works to the grouted limestone revetement and block wall around Bicton Quarantine Reserve outlined in this specification.</p> <p>Several sites along the City of Melville foreshore are experiencing coastal erosion, which is placing existing natural and built assets at risk. This coastline between the Bicton Baths and the East Fremantle Sailing Club is comprised of limestone block walls, ramps, rock revetment treatments and paths. The area is currently used for a variety of purposes including:</p> <ul style="list-style-type: none"> • Passive and active recreation (picnicking, dog walking, running, cycling etc) • Swimming • Sailing • Fishing <p>The main issues affecting the coastline are erosion of unprotected areas from wave conditions and wind erosion, trampling damage and water run off. Maintenance works are required to provide a medium-term solution to stabilise the project site.</p> <p>Detailed Designs and Department of Biodiversity, Conservation and Attractions (DBCA) approval have now been completed for site generally known as Bicton Baths. DPLH have informed the City that Section 18 (S18) approval is not required for these maintenance works. As part of the DBCA permit a Construction and Environmental Management Plan (CEMP) will need to be submitted to the DBCA prior to works commencing. This would best be undertaken while the successful contractor is waiting for favourable weather conditions.</p>
