Policy Statement

Elected Members will receive an Annual Conference allocation for the purpose of attending professional development opportunities relevant to their role as an Elected Member. Residual funds for individual Elected Members from each year will carry over for a maximum of two years, after which time the unspent funds will be returned to the Municipal Fund.

1. Conference/Congress/Seminar/Training Course Attendance

Reimbursement of expenses incurred by Elected Members for attendance at professional development will only be made where the conference/ training/ seminar or similar is relevant to the role of the Elected Member on the Council in order to develop and enhance their knowledge pertaining to their role, understand their obligations, make well informed decisions and effectively represent their constituents.

Elected Members should obtain the necessary approvals required by this policy prior to making any financial or other commitments.
