Each review of the Schedule of Names will include engagement with the community to allow the community to submit any new names for consideration. However names can be submitted to the City for the attention of the CEO at any time.

All suggestions must be made in writing and must include the following:

- Proposed name

Initial review of all suggested names will be made by City Officers against the criteria, and in accordance with the GNCPS, and a subsequent report provided to the CEO for consideration for inclusion on the Schedule of Names. Elected Members will be advised of names added to the Schedule in the Elected Members Bulletin.

Where suggested names meet the criteria of this policy, the proposal is to be presented to Council at least every 4 years for inclusion on the Schedule of Names.

The Schedule of Names will be maintained by Governance service area, in consultation with all Directorates as part of each review process.

Naming of City Assets

Naming of all City Assets shall be in accordance with the GNCPS. As the City seeks to name new assets, City Officers will prepare a shortlist of potential names from the City's Schedule of Names.

All naming and renaming proposals will be in consultation with the community in accordance with the GNCPS consultation process. Once the Council has endorsed the proposal, a formal request seeking approval is made to Landgate for final determination.
