### POLICY OBJECTIVES

Provide Elected Member representation on relevant Western Australian Local Government Association (WALGA) Committees as and when required.

### POLICY SCOPE

This Policy is limited to nominations to WALGA Committees only.

### POLICY STATEMENT

In order to ensure that timely responses can be provided to WALGA, the Chief Executive Officer will submit nominations for membership on WALGA Committees in accordance with a procedure which will ensure that all Elected Members are provided with an opportunity to nominate.

If only one nomination is received then the procedure will permit the Chief Executive Officer to put that nomination forward.

If more than one nomination is received, and there is sufficient time available prior to close of nominations, the procedure will require the Chief Executive Officer to bring the nominations to the next meeting of the Council for a decision.

If there is insufficient time prior to the close of nominations for the matter to be determined at a Council meeting, and there is more than one nomination, the procedure shall provide for a process of determination by the Mayor and Deputy Mayor and that all Elected Members of the outcome are informed.

Nothing in this Policy prevents an Elected Member nominating directly should WALGA rules permit.

All other invitations for representation on external bodies will be submitted to the Council for determination.
